## Using the Dewey Decimal System

Using Athena, our online library catalog, find the **most common CALL NUMBER** for each subject.

1. Cooking \_\_\_\_\_

2. Biology \_\_\_\_\_

3. Pets \_\_\_\_\_

4. Music \_\_\_\_\_

5. How many total entries did you find under Music? \_\_\_\_\_

6. Type in U.S. History using a "Quick Search". How many entries did you receive? \_\_\_\_\_

7. Now type in U.S. History using "Advance Search". (Tip: Type U.S. on the first search line and type History on the second line and hit enter.) How many entries did you get this time? \_\_\_\_\_

Put the following CALL NUMBERS in the correct shelf order:

8.	FIC STI _____	FIC ALL _____	FIC SEU _____	FIC BLA _____
----	---------------------	---------------------	---------------------	---------------------

9.	398.02 KAL _____	943.8 BRE _____	636.4 VIC _____	398 WAL _____
----	------------------------	-----------------------	-----------------------	---------------------

10. Why is it important to keep the library books in the correct order on the shelf? \_\_\_\_\_
